2. 12.11.2008 Heard learned counsel for the petitioner and the State.

The petitioner apprehends arrest in a police case registered under Section 307 and other provisions of the Penal Code and ¾ of Explosive Substances Act and subsequently Section 302 of the Penal Code was added.

Alleging false implication it is submitted that the petitioner is son-in-law of the informant. The marriage relationship was strained then they parted with. A case under Section 498A of the Penal Code filed by the daughter of the informant has already been dismissed. In so far as the allegation under Section 302 of the Penal Code is concerned, the submission is that it relates to the death of a leprosy patient outside the house of the informant by a bomb suspected to have been thrown by the petitioner when, in fact, it is his case that he has nothing to do with the same but unfortunately the occurrence was simultaneous on the same day.
